

# Autobar Offers the Latest State-Of-The-Art Coffee-Vending Machine with the Purchase of Ingredients

---

*Buy 45 cases of coffee ingredients per year from Autobar and get a FLAVIA® Creation 400 office coffee machine completely free to liven up the mornings for staff and visitors – a not-to-be-missed promotion!*

Autobar, one of the largest suppliers of commercial coffee machines, vending machines and vending supplies, is known for continually surprising its customers with great deals and promotions on its products. The online store has recently introduced a not-to-be-missed promotion, particularly for offices – a free FLAVIA® Creation 400 office coffee machine on a purchase of 45 cases of ingredients per year from Autobar.

When asked about the incredible promotion, a spokesperson from Autobar commented, “Looking after its staff and providing excellent service to visitors is one of the core success strategies of every business – and what better way to achieve this by helping staff and visitors kick start their day with a cup of delicious coffee, tea or hot chocolate! The FLAVIA® Creation 400 is one of our most popular coffee machines as it offers the widest range of freshly prepared hot beverages. And we are giving away this great product completely free with a purchase of just 45 cases of ingredients per year from Autobar. So basically, you don’t just get premium quality hot drinks’ ingredients, you get a machine that prepares the drinks for you, fresh, delicious and real quick. Now that’s an offer nobody should miss!”

The FLAVIA® Drinks Range is an exciting mixture of coffee, teas and hot beverages from carefully selected brands suitable for FLAVIA® drinks systems. The range has over 25 varieties of hot beverages from brands like ALTERRA COFFEE ROASTERS™ coffees, THE BRIGHT TEA CO.™ teas and GALAXY® hot chocolate. Each pack of hot drink is individually packaged in a special freshpack to ensure that the freshest, richest flavour and aroma are unleashed in every cup.

“And just when you thought the promotion couldn’t get any better, there’s more. Once you have taken advantage of this amazing deal, we will offer free installation of your FLAVIA® Creation 400. Additionally, the hot drinks vending machine comes with free water filters to optimise drink quality & machine performance, a 6 column merchandiser to store ingredients and FLAVIA base cabinets. And if there is no water connection available, the tank-fill version of the drinks machine will enable it to be used anywhere”, he added.

New customers can apply for this offer by quoting the promotional code: **FLAVIA400** by phone or via the [online enquiry form](#).
