

CASE STUDY

Search Berg used a combination of **SEO** and **content marketing** services to help the B2B client climb up to the **First, Second, and Third pages** of Google's search engine results!

A Little About 336 Productions

336 Productions is a full-service video production company based in Orange County, CA. With several awards, like the Golden Pixie Award in Motion Graphics and the Davey Award to their name, the company offers a range of video production services that include concept and development, video production, visual effects and audio mixing in the post-production process.

336 Productions strives to help their clients communicate with their audience through engaging and aesthetic visuals. Some of the services provided by 336 Productions include:

-  Brand Videos
-  Corporate Presentation
-  Product Videos
-  Documentaries
-  Educational Videos
-  Legal Videos
-  Marketing Videos
-  Trade Show Videos

Identifying The Performance Gaps

Video marketing has become one of the top digital marketing strategies for businesses as a way to attract target audiences, engage with them, and convert them into loyal customers. Since B2B clients form a major chunk of 336 Productions' target audience, they wanted to **establish themselves as a credible authority** on video marketing and video production in the eyes of the audience. But this entailed two things:

-  **Spreading awareness** about the importance of video marketing to businesses so they can avail 336 Productions' services.

-  **Boosting their online presence** to generate a credible online profile that attracts businesses.

The Game Plan

Our SEO strategies revolved included keyword research, website optimization, and creative content marketing activities to highlight the key role of video marketing in today's world and increase 336 Productions' rankings.

336 Productions wanted to rank higher for more leads, which would ultimately mean more conversions!

But how was 336 Productions going to do it all? With Search Berg, of course!

Setting The Stage For Success With Search Berg

After a thorough analysis of their business objectives, Search Berg was able to identify a few digital marketing ideas that could propel 336 Productions to the top of search engine ranking pages.

Since 336 Productions was looking to thrive in the online marketplace, our internet marketing and SEO specialists developed strategies primarily to increase brand awareness and improve site traffic.

We devised a comprehensive SEO strategy for 336 Productions, which included:

- Content marketing
- Social media marketing
- Creating Google My Business listings
- Website Optimization

The results? See for yourself!

Here's All That We Accomplished

Within a few weeks of deploying our SEO campaign, we saw an incredible **spike in the overall ranking** on Google's SERPs!

Our reports showed that 336 Productions was **steadily but surely rising to the top of Google SERPs**. Where 336 Productions website had ranked on the 4th, 7th, 9th, and 13th pages of search engine results for industry-relevant keywords, our SEO strategies had enabled them to climb up to **1st, 2nd, and 3rd pages** of Google's search engine results without any hassle!

Comparative Analysis Of The Keyword Rankings

The table shows some of these keywords, their ranking before 336 Productions came to us, and their ranking after we employed our SEO strategies.

5 Reasons Why Video Content is More Effective than Any Other Medium

APRIL 26, 2020 BY ADMIN IN BLOG /

As we become less attentive than even small aquatic species, marketers have their work cut out for them. In addition to devising unique and novel marketing strategies, they're confronted with the arduous task of condensing their ideas into a short, snappy, and multisensory experience for audiences.

This is where video production services step in.

Research indicates that the average user spends 88% more time on a website with video content. In addition, potential

5 Green Screen Tips to Make Your Brand Video Stand Out

APRIL 22, 2020 BY ADMIN IN BLOG /

According to research, video content represents over 80% of internet traffic. In addition, video content results in greater audience reach, engagement, and retention, thereby maximizing conversion rate and profit.

As leading businesses partner with professional video production and marketing companies for help, the industry has become more competitive than ever. Brands that fail to produce brilliant video marketing content not only notice a decline in Key Performance Indicators (KPI), but also witness deteriorating
